

C-3

2.5" Rimless Fast Mount Ceiling Speaker

Exceptional Audio Performance

Description

An economic flushing-mounting ceiling loudspeaker is available for general purpose applications. This full range loudspeaker is suitable for both speech and music reproduction in shops, department stores, schools, offices, sports halls, hotels and restaurants. The speaker assembly consists of a single-piece, 3W/ 6W dual cone loudspeaker rimless, with a 100 V, matching transformer mounted on the back. A circular rimless metal grille is an integrated part of the front. The appearance and neutral white colour have been selected to be unobtrusive in virtually all interiors.

Features:

- Mini size yet powerful sound effect
- Fast and easy mounting to be more cost effective
- Good choice for PA and BGM
