

C-6

6" Rimless Fast Mount Ceiling Speaker

Exceptional Audio Performance

Description

An economic flushing-mounting ceiling loudspeaker is available for general purpose applications. This 6" full range loudspeaker is suitable for both speech and music reproduction in shops, department stores, schools, offices, sports halls, hotels and restaurants. The speaker assembly consists of a single-piece 5W /10W dual cone loudspeaker rimless with a 100V matching transformer mounted on the back. A circular rimless metal grille is an integrated part of the front. The appearance and neutral white colour have been selected to be unobtrusive in virtually all interiors.

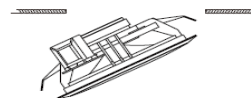

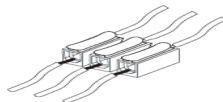

Features:

- ▶ Excellent audio performance
- ▶ Easy and fast mounting to save your cost
- ▶ Fashion rimless appearance design
