CSUR-8

8" 2 Way Professional Cinema Series Surround Speakers

Exceptional Audio Performance

Description

CSUR-8 Surround Speakers are a 2-way design with 8" LF driver, 1" Horn HF with Excellent frequency response and stable dynamic output. Despite being small in size, these speakers are powerful and precise. Elaborate crossover designs enable the high quality transducers to reproduce a detailed response that matches the main channels tonally. The compact cabinets are made of birch plywood with tilted front for precise vertical pattern control. Wall mounting brackets are included.
