

RK-62

Outdoor Weather-Resistant 2 Way Rock Speaker

Exceptional Audio Performance

Description

The RK-62 is a 2-way rock speaker with 6.5" woofer that's ideal for applications requiring audio in all-weather conditions with IP 66 rating. The RK-62 delivers perfectly even volume coverage and exceptional sound quality throughout any size space. These RK-62 Rock Speakers are designed to look like natural outcroppings of rock instead of bulky aluminium and plastic speakers that detract from nature's beauty. Byford Audio Rock Speakers are a distinctive addition to your yard and blend into any landscape for a convenient and practical outdoor audio solution. The realistic rock speaker is offered in Gray Granite to match your landscape.
